Small Group Interaction:

1. In your own words, why are finances one of the keys to compatibility in a marriage?
2. Who manages the finances in your household? Do you discuss them? If so, how often?
3. Have you and your spouse ever agreed on a long-term or short-term financial goal? What was the result?
4. How well do you, as a couple, stick with a plan and a budget? Has there ever been a time when your spending exceeded your income? What happened?
